Ethan,

Today is Saturday, the sun is shinning, the temperature is 45 degrees, but its suppose to get cold tonight around 30 degrees.

How's everything going with you? I hope ok. We will be leaving here Monday morning & Rachel is going to be out of town for about 5 days for some kind of traing for her new job. So we wont be able to get any mail from you for about a week. I of course will write you every day, as I promised.

I saw on the news a lady ~~who~~ wrote to a Sailor she didn't ~~know~~ know personally while he was on a ship in World War two, I guess she didn't have any family but wanted to write to someone serving in the war. Anyway she finally got to meet him after all these years. I thought that was pretty nice.

Mom said the airline finally put your money back into you account. So now you have $68.98 in checking and $1,152.03 in your savings account, as of today, Nov 10th. I'll close for now Mom & I love you very much ~~&~~ and miss you very much. Love You!
